Possible version:

Dear Jim,

I am sorry to know you are worried about your look. I understand quite well how you feel. However, don't worry. The situation is easy to change if you take my advice. Here are some tips for you.

I think you should stop comparing yourself with others, especially stars and models. Stop looking for things that are wrong with your face or body. You can make a list of the things you like about yourself. This way you will feel positive about yourself and your body, and become happier.

Why not spend more time exploring your interests? BBeauty comes from within. I'm sure your life will be enriched and you will feel better about yourself.

Hope you will find my ideas useful.

Yours,

Li Hua
